You are eligible for a prorated tuition refund or credit only if your child withdraws due to serious illness or injury, corroborated by a note from your doctor. All refunds are subject to a \$25 non-refundable program fee. Please be advised that refunds may take up to one month to process.

FLEXIBLE SPENDING ACCOUNTS:

Receipts for programs attended by your child are available on request after completion of the programs. Please contact IPSF with parent's name, child's name, address, phone number, name and location of program(s) attended, and dates attended. IPSF can be reached via email at cdepew@ipsf.net or phone at 949.263.8340. This material is provided for informational purposes only. IPSF does not

provide tax, legal, or accounting advice, and makes no representations regarding the deductibility or FSA eligibility of any program related expenses. Please consult your individual tax advisor to determine how much of your payment, if any, is deductible and/or FSA eligible.

CLASS AGE LIMITS: In order to develop classes suitable for a particular age range, we specify age limits in the brochure.

CLASS CONFIRMATIONS: Class Confirmations are emailed upon successful completion of enrollment. Please add webmaster@ipsf.net to your email address book.

CLASS CANCELLATIONS: We do our best to accommodate all students who sign up for ACE classes. In order to keep class fees as low as possible, we must set a minimum enrollment number for each class to cover the class expenses. If the minimum enrollment is not met, the ACE Program reserves the right to cancel the class and return all registration fees. You will be notified of any cancellations before the first scheduled day of class.

TRANSPORTATION: Getting students to and from class is the responsibility of parents. In the first week of classes, ACE site monitors will attempt to locate registered students who are not present in their class. After that week, however, we expect that the students will know where they should go. If your child has difficulty remembering to go to class, you might want to escort him/her or contact another child in the class so your child has a "buddy" to provide a reminder about class.

ACE students must be picked up immediately after class. Arranging pick-up is the responsibility of parents. School staff, ACE instructors and ACE volunteer monitors are not responsible for your child after class. If you are late picking your student up two times, your student will be removed from the program and there are no refunds.

SNACKS: Your child is always welcome to bring a personal snack. Please do not send any snacks containing peanut or tree nut products. Please contact the school site ACE coordinator immediately if your child has severe food allergies.

CONTINUING CLASSES: Unless noted otherwise in the brochure, students in continuing classes must submit a registration form and payment for each session.

CONDUCT: Normal classroom conduct is expected of all ACE students and we generally have very few problems with the behavior of our students. Children displaying unacceptable behavior will be issued a one-time "Behavior Citation" that will have to be signed by a parent before the student can continue the class. If a second citation is necessary, the child will be dismissed without refund.

SCHOLARSHIPS: A limited number of 50% - 100% scholarships are available for all classes based on need. Income documentation is required for approval. Parents may apply for a scholarship by accessing and completing the scholarship form at www.ipsfacademy.org/ACE.

MONITORS WANTED: Would you like to help monitor ACE classes 1 to 1-1/2 hours per week? The work is easy – taking roll, assisting any children who need help, occasionally helping with classroom set up and clean up, and randomly checking on each class a few times during the class period. Volunteers who monitor are granted one reduced class tuition per session. Interested? Contact the ACE Coordinator listed below.

PROGRAM SPONSORSHIP: Irvine Public Schools Foundation (IPSF) sponsors the district-wide ACE program in cooperation with the Irvine Unified School District.
