

Fall Late 2018

ACE IPSF

AFTERSCHOOL CLASSROOM ENRICHMENT

WHAT IS THE ACE PROGRAM AND WHAT ARE ACE CLASSES?

The ACE Program (Afterschool Classroom Enrichment) is a program sponsored by IPSF (Irvine Public Schools Foundation) in cooperation with the Irvine Unified School District. These classes are offered right after school hours on the Stonegate campus for nominal fees. IPSF selects contractors who teach all types of classes ranging from athletics to academics to arts.

Fall Late Classes At A Glance

Class	Grade	Day	Start	# of Mtgs.	Fee
Young Einsteins: Tech Academy	1 - 3	Tue	11/27	8	\$195
Ceramic Painting	1 - 6	Tue	11/27	8	\$165
Chess Club	1 - 6	Tue	11/27	8	\$138
Code Academy: Android Apps & Arduino	4 - 6	Tue	11/27	8	\$195
Abacus Based Math	1 - 3	Wed	11/28	8	\$186
The Science of Magic	1 - 3	Wed	11/28	8	\$128
Basketball	1 - 6	Wed	11/28	8	\$138
Commercial Voice Over	4 - 6	Wed	12/5	6	\$152
Engineering with LEGO®: Space Adventures	1 - 3	Thu	11/29	8	\$165
Little Orators	1 - 3	Thu	11/29	8	\$158
Cooking	1 - 6	Thu	11/29	8	\$203
Fashion Design & Sewing Basics	4 - 6	Thu	11/29	8	\$202
Speech & Debate	4 - 6	Thu	11/29	8	\$158

Register Online November 4 - November 12
Online Registration ONLY at www.ipsfacademy.org

SCHOLARSHIPS AVAILABLE !!

In partnership with

Google Fiber

A limited number of partial and full scholarships are available for all classes based on financial need. Income documentation is required for approval. Parents may apply for assistance by completing the Scholarship Application available at www.ipsfacademy.org/ace.

For scholarship questions, please email IPSF ACE at ipsfacademy@ipsf.net

Contact volunteer Stonegate ACE Coordinator, Bhuvana Yerapotini, at StonegateACE@gmail.com

TUESDAYS: November 27, December 4, 11, 18, January 8, 15, 29 & February 5
NO class December 25, January 1 & 22

YOUNG EINSTEINS: TECH ACADEMY

\$195

Our Young Einsteins: Tech Academy program introduces advanced concepts of coding and engineering through playful projects and games. Like any language, coding is best learned while young. In this course, students enter the world of computer science, electronics and robotics by learning how to create amazing computer games, electronic creations and interactive robots providing an intuitive and visual learning platform for young learners. Exploring coding fundamentals, such as variables, events, conditional statements and more, students are able to program a game or create a robot that can navigate a maze as they learn how to use math and computer coding to think creatively. This class will delight and excite the curious mind of each and every student.

Provider: Brainstorm STEM Education.

Grades: 1-3 Tue. Time: 2:40-3:40 p.m. Location: TBA # of Meetings: 8

CERAMIC PAINTING

\$165

Students will learn various techniques and styles for painting pottery. Items made are washable, non-toxic and food safe. No project is ever repeated. If a student has taken ceramic painting provided by Color Me Mine in the past, new projects will be introduced. Once painted, items will be taken back to the studio for glazing and firing and returned the following week. Students will paint beautiful keepsakes. Provider: Color Me Mine

Grades: 1-3 Tue. Time: 2:40-3:40 p.m. Location: TBA # of Meetings: 8
Grades: 4-6 Tue. Time: 3:00-4:00 p.m. Location: TBA # of Meetings: 8

CHESS CLUB

\$138

Academic Chess specializes in making chess fun for children! Chess has been proven to help develop critical thinking and memory skills confidence, sportsmanship, patience and problem solving skills. Our experienced instructors use stories and exciting lessons to teach chess concepts in a way that your child will remember. The class also includes a tournament where students can win trophies and prizes. All students will receive a fun Academic Chess workbook. The class is for all chess levels. Provider: Academic Chess.

Grades: 1-3 Tue. Time: 2:40-3:40 p.m. Location: TBA # of Meetings: 8
Grades: 4-6 Tue. Time: 3:00-4:00 p.m. Location: TBA # of Meetings: 8

CODE ACADEMY: ANDROID APPS & ARDUINO

\$195

Learn to create innovative apps and games for mobile devices using Android Studio. Google designed Android Studio to be as powerful and helpful as possible for new users. Learn to create your own voice-assistant like "Siri" or "Alexa", make a song machine, design your own game, and much more. Then learn the essential elements of the C Programming language by programming a microcontroller using the popular Arduino board, which can be used to perform simple tasks or control complex electronics. This class introduces students to inventing, engineering and coding in a fun and exciting way that is both interactive and creative, providing students with an opportunity to experiment in a collaborative environment where they learn by doing. Provider: Brainstorm STEM Education.

Grades: 4-6 Tue. Time: 3:00-4:00 p.m. Location: TBA # of Meetings: 8

WEDNESDAYS: November 28, December 5, 12, 19, January 9, 16, 23 & 30
NO class December 26 & January 2

ABACUS BASED MATH

\$186

This class is designed to introduce your student to the basic concepts of Abacus. The student will build a solid foundation in arithmetic as well as develop skills of problem-solving, analytical thinking and creative thinking. All classes are conducted in small groups (ratio 8 students:1 instructor) with individualized attention. Provider: Aloha Mind Math.

Grades: 1-3 Wed. Time: 1:35-2:35 p.m. Location: TBA # of Meetings: 8

THE SCIENCE OF MAGIC

\$128

The Science of Magic promotes public speaking through the performance art of magic! Students will learn different magic tricks and will craft some of their own magic gear. This curriculum uses science experiments, illusions, magnets, electricity and more to teach science through magic tricks! Each child will receive a magic gift and certification of participation on the last day. Provider: Strategic Kids.

Grades: 1-3 Wed. Time: 1:35-2:35 p.m. Location: TBA # of Meetings: 8

AFTER SCHOOL HOOPS® BASKETBALL

\$138

After School Hoops is an after school basketball program designed for both beginner and experienced players. Through each session our coaches will help students learn the fundamentals of basketball, focusing on proper technique and athletic motor skills that will help your child develop as an athlete and teammate. Each day your child will learn a new skill, play different games, and scrimmage with teammates. We guarantee each child will learn, sweat, and have fun! Provider: One on One Basketball.

Grades: 1-3 Wed. Time: 1:35-2:35 p.m. Location: TBA # of Meetings: 8
Grades: 4-6 Wed. Time: 1:50-2:50 p.m. Location: TBA # of Meetings: 8

WEDNESDAYS: December 5, 12, 19, January 9, 16 & 23
NO class December 26 & January 2

COMMERCIAL VOICE OVER TRAINING

\$152

The Public Address Announcer of the Anaheim Ducks coaches students on the basics of Commercial Voice Overs. For students interested in VAPA (Visual and Performing Arts) instruction, this is the perfect class. With 30+ years of commercial voice over experience, Phil Hulett coaches students on the basics of performing with their voices in commercials, video games and cartoons. Using Hulett's portable recording studio, students will participate in recording sessions while learning the finer points of microphone technique, conveying emotions, vocal modulation, character voices and more. Weekly recordings are made available to parents/guardians on a password-protected web page. *Class and content presented are not affiliated with the Anaheim Ducks, Honda Center or the National Hockey League.

Grades: 4-6 Wed. Time: 1:50 - 2:50 p.m. Location: TBA # of Meetings: 6

THURSDAYS: November 29, December 6, 13, 20, January 10, 17, 24 & 31
NO class December 27 & January 3

ENGINEERING W/ LEGO®: SPACE ADVENTURES!

\$165

Each week, students will learn about real-life space exploration and build a new model related to the NASA space program. Models include a satellite, a lunar module, a centrifuge which astronauts use to prepare for the physical sensations of launch, a treadmill which astronauts use to stay fit in space, and a “space robot”. During this unit, students will learn STEM concepts, including launching things into orbit, the most-distant man-made object in the universe, and discuss what it is like to be an astronaut in space. Let Bricks 4 Kidz launch your imagination to outer space and beyond! Each student will receive a customized LEGO minifigure and Certificate of Achievement on the last day of class. Provider: Bricks 4 Kidz

Grades: 1-3

Thu. Time: 2:40-3:40 p.m.

Location: TBA

of Meetings: 8

LITTLE ORATORS

\$158

The Little Orators class provides students with a basic understanding of communication and public speaking skills. Students will develop confidence, leadership skills and valuable presentation proficiencies. These skills are taught through storytelling, poetry and informative speaking. Each session will end with class presentations. Parents/guardians will receive updates and evaluations. Provider: Argumentation & Communication Leadership Academy

Grades: 1-3

Thu. Time: 2:40-3:40 p.m.

Location: TBA

of Meetings: 8

COOKING

\$203

All new recipes! We teach young chefs how to cook up some FUN. Our chef instructors bring knowledge and creativity to your classroom, equipped with all the supplies your students need to prepare culinary delights. No PB&J here. Our young chefs are always exploring something new. We focus on fresh ingredients and the importance of home cooked meals. The kids get to eat what they make and get recipes to take home so they can enjoy with their family. Provider: Lil' Chef School.

We teach kids life-long cooking skills like:

- cutting, slicing, dicing, julienne, shredding (with safety tools),
- dry & liquid measuring
- safe food handling/food assembly
- sweet vs. savory ingredients and dishes
- international cuisines....and more!

Recipes include:

- Toasted ravioli & marinara
- Vegetable noodle soup
- Cinnamon buns
- BBQ chicken quesadillas
- Chocolate chip cookies
- Veggie chili
- Cheesy potato casserole
- Yogurt parfaits

Grades: 1-3

Thu. Time: 2:40-3:40 p.m.

Location: TBA

of Meetings: 8

Grades: 4-6

Thu. Time: 3:00-4:00 p.m.

Location: TBA

of Meetings: 8

WHERE TO GO AFTER SCHOOL AND PICK UP INSTRUCTIONS

Instruct your students that once regular school dismisses to report to the ACE table outside the front office for check-in.

After ACE class, students are to be promptly checked-out from the ACE table outside the front office. Students will not be permitted to leave on their own unless the student's profile at www.ipsfacademy.org indicates student's "Transportation" as responsible for themselves.

CDC students: Please also report directly to the ACE class location. Do not check in at the CDC prior to ACE class. After ACE, students will be escorted to the CDC. Be sure to notify the CDC you have enrolled your student in ACE.

**THURSDAYS con't: November 29, December 6, 13, 20, January 10, 17, 24 & 31
NO class December 27 & January 3**

FASHION DESIGN & SEWING BASICS

\$202

Learn the basics of fashion design and sewing in this fun, skill-building program. We'll teach the basics of hand sewing, then use those skills to apply them to a project. For a few weeks sewing machines will be brought in to give the kids a chance to use the machine. Plus, we'll do some sketching, draping and design activities, too! Perfect for beginners, and returners. We change the projects each time to make sure its a new experience for everyone! Boys and girls welcome! Provider: Fashion Camp.

Grades: 4-6

Thu. Time: 3:00-4:00 p.m.

Location: TBA

of Meetings: 8

SPEECH & DEBATE

\$158

Students will develop public speaking, communication and critical thinking skills. Students will learn competition events such as impromptu speaking, informative, speaking, storytelling, prose, SPAR, and Congressional debate. Through speech and debate training, students will learn leadership skills to help them excel in the classroom and beyond. Each session will end with a mini in-class tournament and presentations for the parents. Provider: Argumentation & Communication Leadership Academy

Grades: 4-6

Thu. Time: 3:00-4:00 p.m.

Location: TBA

of Meetings: 8

CLASSROOM MONITORS WANTED! We need your help!

Would you be willing to help monitor ACE classes 1 to 1½ hours per week? Volunteers who monitor receive discounted tuition for each day they monitor. The work is easy -take roll, make sure children are accounted for, assist where necessary, and see that all children are picked up after classes. Interested in helping out? Contact the SG ACE Coordinator at StonegateACE@gmail.com

REGISTRATION

1. Go to www.ipsfacademy.org. Please use Chrome or Safari as your browser, older versions of Internet Explorer are not supported.
2. If you do not have a User Email/Password, you will need to create one for yourself. Click "Create An Account". If your student participated in the IPSF Summer Enrichment Academy, you will login using the same user email and password.
3. Once you have successfully created a parent profile, you will be directed to login.
4. Click on "Add a Student" to create profiles for each of your students if one does not already exist.

IMPORTANT!! For existing students, verify all student information is up to date for the new school year including grade, homeroom and transportation. Profiles do NOT update automatically.

5. Select the desired class(es) and checkout.
6. Classes that have reached capacity may have a waitlist. During the registration process, you have the option to add a student to a waitlist. No payment is required and you will be notified only if an opening becomes available for your student.
7. Once you checkout, you will receive an email confirming your student's class enrollment.

GENERAL INFORMATION

REGISTRATION:

Begins: Sunday, November 4

Ends: Monday, November 12

Classes start: Tuesday, November 27

Register at www.ipsfacademy.org

Enrollment is subject to class availability. Students must attend the school where they enroll in ACE classes.

HOW TO REGISTER:

1. Login at www.ipsfacademy.org Please use Chrome or Safari as your browser; older versions of Internet Explorer are not supported.
2. If you have not created a User Email/Password account, you will need to create one for yourself. Click "Create An Account". Once you have successfully created a parent profile, you will be directed to login.
3. Click on "Add a Student" to create profiles for each of your students if one does not already exist. **For existing students, verify profiles are up to date including grade, homeroom and transportation.**
4. Click "Register for Classes".
5. Select the desired class(es) and checkout.
6. Once you have checked out, you will receive an email confirmation listing your student's class enrollment.

REFUNDS: Tuition is nonrefundable unless the class is cancelled by the ACE coordinator. If your child registers late, misses classes or withdraws before the end of the session, you are still obligated for the full fees for that session. You are eligible for a prorated tuition refund or credit only if your child withdraws due to serious illness or injury, corroborated by a note from your doctor. All refunds are subject to a \$25 non-refundable program fee. Please be advised that refunds may take up to one month to process.

FLEXIBLE SPENDING ACCOUNTS: Receipts for programs attended by your child are available on request after completion of the programs. Please contact IPSF with parent's name, child's name, address, phone number, name and location of program(s) attended, and dates attended. IPSF can be reached via email at cdepew@ipsf.net or phone at 949.263.8340. This material is provided for informational purposes only. IPSF does not

provide tax, legal, or accounting advice, and makes no representations regarding the deductibility or FSA eligibility of any program related expenses. Please consult your individual tax advisor to determine how much of your payment, if any, is deductible and/or FSA eligible.

CLASS AGE LIMITS: In order to develop classes suitable for a particular age range, we specify age limits in the brochure.

CLASS CONFIRMATIONS: Class confirmations are emailed upon successful completion of enrollment. Please add webmaster@ipsf.net to your email address book.

CLASS CANCELLATIONS: We do our best to accommodate all students who sign up for ACE classes. In order to keep class fees as low as possible, we must set a minimum enrollment number for each class to cover the class expenses. If the minimum enrollment is not met, the ACE Program reserves the right to cancel the class and return all registration fees. You will be notified of any cancellations before the first scheduled day of class.

TRANSPORTATION: Getting students to and from class is the responsibility of parents. In the first week of classes, ACE site monitors will attempt to locate registered students who are not present in their class. After that week, however, we expect that the students will know where they should go. If your child has difficulty remembering to go to class, you might want to escort him/her or contact another child in the class so your child has a "buddy" to provide a reminder about class.

ACE students must be picked up immediately after class. Arranging pick-up is the responsibility of parents. School staff, ACE instructors and ACE volunteer monitors are not responsible for your child after class. If you are late picking your student up two times, your student will be removed from the program and there are no refunds.

SNACKS: Your child is always welcome to bring a personal snack. Please do not send any snacks containing peanut or tree nut products. Please contact the school site ACE coordinator immediately if your child has severe food allergies.

CONTINUING CLASSES: Unless noted otherwise in the brochure, students in continuing classes must submit a registration form and payment for each session.

CONDUCT: Normal classroom conduct is expected of all ACE students and we generally have very few problems with the behavior of our students. Children displaying unacceptable behavior will be issued a one-time "Behavior Citation" that will have to be signed by a parent before the student can continue the class. If a second citation is necessary, the child will be dismissed without refund.

SCHOLARSHIPS: A limited number of 50%-100% scholarships are available for all classes based on need. Income documentation is required for approval. Parents may apply for a scholarship by accessing and completing the scholarship form at www.ipsfacademy.org/ACE.

MONITORS WANTED: Would you like to help monitor ACE classes 1 to 1-1/2 hours per week? The work is easy - taking roll, assisting any children who need help, occasionally helping with classroom set up and clean up, and randomly checking on each class a few times during the class period. Volunteers who monitor are granted one reduced class tuition per session. Interested? Contact the ACE Coordinator listed below.

PROGRAM SPONSORSHIP: Irvine Public Schools Foundation (IPSF) sponsors the district-wide ACE program in cooperation with the Irvine Unified School District.

For further information about the ACE program at other schools, please call IPSF at 949.263.8340.

ATTENDANCE: If your student will be absent from ACE class, please send a message to the contact listed below before 11 a.m. on the day of ACE class.
