

Fall 2018

ACEIPSF

AFTERSCHOOL CLASSROOM ENRICHMENT

@ Turtle Rock Elementary

WHAT IS THE ACE PROGRAM AND WHAT ARE ACE CLASSES?

The ACE Program (Afterschool Classroom Enrichment) is a program sponsored by IPSF (Irvine Public Schools Foundation) in cooperation with the Irvine Unified School District. These classes are offered right after school hours on the Turtle Rock campus for nominal fees. IPSF selects contractors who teach all types of classes ranging from athletics to academics to arts.

Fall Classes At A Glance

Class	Grade	Day	Start	# of Mtgs.	Fee
Abacus & Mind Math	1 - 3	Mon	10/15	7	\$170
Lights, Camera, Action! Moviemaking	1 - 3	Mon	10/15	7	\$149
Tennis	1- 3	Mon	10/15	7	\$157
Code Academy: Python Programming	4 - 6	Mon	10/15	7	\$177
Fine Arts: Secrets of Realistic Drawing	4 - 6	Mon	10/15	7	\$141
LA Galaxy OC Soccer	4 - 6	Mon	10/15	7	\$117
Fine Arts: Secrets of Realistic Drawing	1 - 3	Tue	10/16	8	\$156
Young Einsteins: Tech Academy	1 - 3	Tue	10/16	8	\$195
Descriptive Writing	4 - 6	Tue	10/16	8	\$186
LEGO® Eng. Robotics: Motors & Mindstorms	4 - 6	Tue	10/16	8	\$195
LEGO® Engineering: Superhero City	1 - 3	Wed	10/17	7	\$177
LA Galaxy OC Soccer	1 - 3	Wed	10/17	7	\$117
Hip Hop Dance for Brainsmart Kids	1 - 6	Wed	10/17	7	\$141
Basketball	4 - 6	Wed	10/17	7	\$157
Yoga Your Way	4 - 6	Wed	10/17	7	\$76
Let's Play Chess	1 - 3	Thu	10/18	7	\$141
Yoga Story Adventures	1 - 3	Thu	10/18	7	\$76
PGA Golf Program	1 - 6	Thu	10/18	7	\$157
Basketball	1 - 3	Fri	10/19	7	\$157
Bioengineering: Designing Life	1 - 3	Fri	10/19	7	\$175
Pre-Med: Life Science Biology	4 - 6	Fri	10/19	7	\$150
Tennis	4 - 6	Fri	10/19	7	\$157

Questions? Contact volunteer Turtle Rock ACE Coordinator, Ian Lang, at ACETurtleRock@gmail.com

Register Online September 14 - October 8 Online Registration ONLY at www.ipsfacademy.org

**MONDAYS: October 15, 22, November 5, 19, 26, December 3 & 10
NO class October 29 & November 12**

ABACUS BASED MATH

\$170

This class is designed to introduce your student to the basic concepts of Abacus. The student will build a solid foundation in arithmetic as well as develop skills of problem-solving, analytical thinking and creative thinking. All classes are conducted in small groups (ratio 8 students:1 instructor) with individualized attention. Provider: Aloha Mind Math.

Grades: 1-3 Mon. Time: 1:45-2:45 p.m. Location: Room 29 # of Meetings: 7

LIGHTS, CAMERA, ACTION! MOVIE MAKING

\$149

Movies By Kids is ready to make a movie where you're the writer, director, and star! The class begins with creating an idea for a movie. Students will then learn how to write and storyboard that idea. The next step is to venture out and film the movie. All projects will be professionally edited and available to download online! Experience the ultimate in creativity from the first call of "Action!" to "That's a wrap!" If you want to have fun and learn how to make movies, this is the class for you!! Provider: Movies By Kids.

Grades: 1-3 Mon. Time: 1:45-2:45 p.m. Location: Room 27 # of Meetings: 7

TENNIS

\$157

Our tennis program incorporates the Quickstart program, providing new and continuing players an exciting way to learn tennis. Our program is designed to bring kids into the game by utilizing specialized equipment, shorter court dimensions and modified scoring. It's the fast, fun way to get kids into tennis and keep them playing. Fit Kids coaches strive to make classes fun, creating a lifelong love of fitness. All equipment is provided; students should bring water and sunscreen to class. Provider: Fit Kids America.

Grades: 1-3 Mon. Time: 1:45-2:45 p.m. Location: Upper Courts # of Meetings: 7

SCHOLARSHIPS AVAILABLE !!

A limited number of partial and full scholarships are available for all classes based on financial need. Income documentation is required for approval. Parents may apply for assistance by completing the Scholarship Application available at www.ipsfacademy.org/ace.

For scholarship questions, please email IPSF ACE at ipsfacademy@ipsf.net

In partnership with

Google Fiber

MONDAYS con't: October 15, 22, November 5, 19, 26, December 3 & 10
NO class October 29 & November 12

CODE ACADEMY: PYTHON PROGRAMMING

\$177

Python is a powerful, multi-purpose programming language that's easy to learn and fun to use! Python can be used for web development, artificial intelligence, scientific computing, apps, games and more. Our Python course provides an interactive and hands-on experience that will help breakdown the fundamentals of Python in a fun and engaging way. And, since Python reads like English, it allows students to learn fundamental coding concepts quickly and confidently. Students will be introduced to fundamental coding concepts such as variables, functions, and conditional statements. Learn to draw with code, create your own combat system and text-based adventure game, even make your own space shooter game. Provider: Brainstorm STEM Education.

Grades: 4-6 Mon. Time: 2:25-3:25 p.m. Location: Innovation Lab # of Meetings: 7

FINE ARTS: SECRETS OF REALISTIC DRAWING!

\$141

Calling all young Picassos! If your child loves to drawing and fine arts then this is the class they've been waiting for. Activities include graphite pencil, charcoal, water color, air-dry clay and more. An information-packed class for everyone who wants to get creative...and best of all, it's taught by Mr. T, co-creator of the Pink Panther Comic Strip. Provider: WE Educational Programs.

Grades: 4-6 Mon. Time: 2:25-3:25 p.m. Location: Library # of Meetings: 7

LA GALAXY OC SOCCER

\$117

LA Galaxy Orange County provides a FUNDamental soccer experience for all players. Following an age-appropriate curriculum every player will be provided with a fun yet challenging environment facilitating the development of soccer skills and techniques. Staffed by qualified, professional LA Galaxy OC coaches.

Grades: 4-6 Mon. Time: 2:25-3:25 p.m. Location: Soccer Field # of Meetings: 7

REGISTRATION

1. Go to www.ipsfacademy.org. Please use Chrome or Safari as your browser, older versions of Internet Explorer are not supported.
2. If you do not have a User Email/Password, you will need to create one for yourself. Click "Create An Account". If your student participated in the IPSF Summer Enrichment Academy, you will login using the same user email and password.
3. Once you have successfully created a parent profile, you will be directed to login.
4. Click on "Add a Student" to create profiles for each of your students if one does not already exist.

IMPORTANT!! For existing students, verify all student information is up to date for the new school year including grade, homeroom and transportation. Profiles do NOT update automatically.

5. Select the desired class(es) and checkout.
6. Once you checkout, you will receive an email confirming your student's class enrollment.

**TUESDAYS: October 16, 23, November 6, 13, 20, 27, December 4 & 11
NO class October 30**

FINE ARTS: SECRETS OF REALISTIC DRAWING!

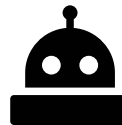

\$156

Calling all young Picassos! If your child loves to drawing and fine arts then this is the class they've been waiting for. Activities include graphite pencil, charcoal, water color, air-dry clay and more. An information-packed class for everyone who wants to get creative...and best of all, it's taught by Mr. T, co-creator of the Pink Panther Comic Strip Provider: WE Educational Programs.

Grades: 1-3 Tue. Time: 1:45-2:45 p.m. Location: Room 35 Kliger # of Meetings: 8

YOUNG EINSTEINS: TECH ACADEMY

\$195

Our Young Einsteins: Tech Academy program introduces advanced concepts of coding and engineering through playful projects and games. Like any language, coding is best learned while young. In this course, students enter the world of computer science, electronics and robotics by learning how to create amazing computer games, electronic creations and interactive robots providing an intuitive and visual learning platform for young learners. Exploring coding fundamentals, such as variables, events, conditional statements and more, students are able to program a game or create a robot that can navigate a maze as they learn how to use math and computer coding to think creatively. This class will delight and excite the curious mind of each and every student. Provider: Brainstorm STEM Education.

Grades: 1-3 Tue. Time: 1:45-2:45 p.m. Location: Innovation Lab # of Meetings: 8

DESCRIPTIVE WRITING

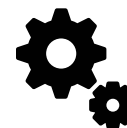

\$186

This is an instructor-led reading/writing program focused on various academic writing skills. Students will learn one specific genre like narrative writing, descriptive writing, creative writing or persuasive writing during the session. Students will create story using story elements or will develop the understanding of how to write an introduction paragraph using hook and thesis statement, create body paragraph using relevant details and to conclude the essay with the right remarks. Provider: Aloha Mind Math.

Grades: 4-6 Tue. Time: 2:25-3:25 p.m. Location: Room 19 Ivey # of Meetings: 8

LEGO® ENG. & ROBOTICS: MOTORS & MINDSTORMS

\$195

This course is all about learning how to build, program, design, and invent using LEGO®. Students will explore hands-on programs that focus on topics such as gears, motors, robots, engineering or building with LEGO®. Discover the amazing world of robotics and programming using the LEGO Mindstorm robotics system. It all adds up to tons of fun while students learn to apply science, technology, engineering, and math concepts (STEM), plus a big dose of imagination, to solve a problem. Along their discovery journey, they develop critical thinking, team-building skills and basic STEM applications. Provider: Brainstorm STEM Education.

Grades: 4-6 Tue. Time: 2:25-3:25 p.m. Location: Room 20 Finley # of Meetings: 8

WEDNESDAYS: October 17, 24, November 7, 14, 28, December 5 & 12
NO class October 31 & November 21

LEGO® ENGINEERING: SUPERHERO CITY

\$177

In this class, students will create an amazing Superhero City, complete with Heroes' Hideouts and Villains' Lairs! Residents of Superhero City make amazing motorized machines like Tumblers, Zip-line Aerial Ascenders, and even Super Weapons. Kids then battle it out against the "bad guys" using their incredible inventions. Evil of the world: beware! Provider: Brainstorm STEM Education.

Grades: 1-3 Wed. Time: 1:30-2:30 p.m. Location: Innovation Lab # of Meetings: 7

LA GALAXY OC SOCCER

\$117

LA Galaxy Orange County provides a FUNDamental soccer experience for all players. Following an age-appropriate curriculum every player will be provided with a fun yet challenging environment facilitating the development of soccer skills and techniques. Staffed by qualified, professional LA Galaxy OC coaches.

Grades: 1-3 Wed. Time: 1:30-2:30 p.m. Location: Soccer Field # of Meetings: 7

HIP HOP DANCE FOR BRAINSMART KIDS

\$141

Want to get smarter and learn hip hop? Featuring a unique blend of high-energy hip hop dance and BrainSmart focusing exercises, this class was designed to enhance the fundamentals of fitness and study readiness! Each music filled session presents a fun way to learn hip hop, improve coordination and increase self-esteem; while the BrainSmart focusing exercises enhance relaxation, concentration and memory. The innovative BrainSmart Program was designed by a child psychologist and educator to improve study readiness skills through fitness. Best of all, your instructor, Mr. Maddi, is a professional choreographer and former tour dancer with Michael Jackson! All new dance moves, so past students are welcome! Students should wear comfortable clothing and bring water to class. Provider: WE Educational Programs

Grades: 1-6 Wed. Time: 1:30-2:30 p.m. Location: Room 27 # of Meetings: 7

BASKETBALL

\$157

Got Game? Learn all the skills it takes to be a master on the court! Learn how to improve your shooting, passing, catching and rebounding skills! Instructors will teach you about player positioning, dribbling, ball handling and team concepts. Instruction includes offensive tactics such as shot selection and scoring while defensive tactics emphasize positioning and pressure from various areas of the court. Students should bring water and sunscreen to class. Provider: Fit Kids America.

Grades: 4-6 Wed. Time: 1:30-2:30 p.m. Location: Upper Courts # of Meetings: 7

YOGA YOUR WAY!!

\$76

The ancient practice of yoga brings together the mind, body and spirit through various yoga postures. The postures challenge our physical strength and flexibility while keeping us calm and relaxed. In this class, students will learn yoga by exploring a theme. The fun part is that students choose the theme! Perhaps it's a favorite movie, book or folktale. Maybe it's the Olympics or geography. We can even do yoga for sports like soccer and basketball. The possibilities are endless! Prizes are awarded for good behavior and class participation. Students should wear comfortable clothing: shorts for boys and leggings for girls are good options. No prior yoga experience is needed, but bring your ideas! Taught by Mrs. Lane, our TR Yoga Teacher since 2007.

Grades: 4-6 Wed. Time: 1:30-2:30 p.m. Location: Room 29 # of Meetings: 7

THURSDAYS: October 18, 25, November 8, 15, 29, December 6 & 13
NO class November 1 & 22

LET'S PLAY CHESS

\$141

From first move to checkmate this after-school program presents a fun way to learn to play Chess. Step-by-step lessons introduce students to important analytical and problem solving strategies, which are also key components for successful classroom study. An information-packed, fun-filled activity including mini-tournaments and prizes. This class is designed for both beginning and advanced students with engaging lessons catering to varying skill levels. Past students are welcome! Provider: WE Educational Programs.

Grades: 1-3 Thu. Time: 1:45-2:45 p.m. Location: Room 27 # of Meetings: 7

YOGA STORY ADVENTURES

\$76

Explore your favorite stories and movies like Stand Tall Molly Lou Mellon, the Mysterious Giant of Barletta, Star Wars and Mulan using classic yoga movements. Each class begins with yoga games & breathing exercises. This is followed by interactive storytelling where we describe character, plot and setting with yoga poses. On the last day, students may make up their own poses and show them to the class. Prizes are awarded for good behavior and class participation. Through this class, students will develop body awareness, strength, flexibility and confidence. Students should wear comfortable clothing: shorts for boys and leggings for girls are good options. No prior yoga experience is needed, but imaginations are! Taught by Mrs. Lane, our TR Yoga Teacher since 2007.

Grades: 1-3 Thu. Time: 1:45-2:45 p.m. Location: Room 29 # of Meetings: 7

PGA GOLF PROGRAM

\$157

SCPGA/TGA Premier Junior Golf brings the golf course to your school! Our national, award winning, 5 level program is specially designed for children and builds upon the educational concepts they are learning in the class room including math and science. Fun comes first in every class, but our curriculum also focuses on improving motor skills and physical fitness as well as instilling self-confidence and life values through professional golf instruction. Students learn the fundamentals, etiquette and rules of the game in the comfortable environment of your school campus with a low 10:1 student to professional instructor ratio. Best of all, we provide all the equipment and training materials so children of all skill levels have the chance to come out and tee it up with TGA! Past students welcome! Provider: SCPGA/TGA.

Grades: 1-3 Thu. Time: 1:45-2:45 p.m. Location: Upper Field # of Meetings: 7
Grades: 4-6 Thu. Time: 2:25-3:25 p.m. Location: Upper Field # of Meetings: 7

WHERE TO GO AFTER SCHOOL AND PICK UP INSTRUCTIONS

Instruct your students that once regular school dismisses to report directly to their ACE class location.

After ACE class, promptly pick up your student from the ACE class location. Grade 1-3 students must be signed out from ACE class unless the student's profile at www.ipsacademy.org indicates student's "Transportation" as responsible for themselves.

CDC students: Please also report directly to the ACE class location. Do not check in at CDC prior to ACE class. After ACE, students will be escorted to the CDC. Be sure to notify the CDC you have enrolled your student in ACE.

FRIDAYS: October 19, 26, November 9, 16, 30, December 7 & 14
NO class November 2 & 23

BASKETBALL

\$157

Got Game? Learn all the skills it takes to be a master on the court! Learn how to improve your shooting, passing, catching and rebounding skills! Instructors will teach you about player positioning, dribbling, ball handling and team concepts. Instruction includes offensive tactics such as shot selection and scoring while defensive tactics emphasize positioning and pressure from various areas of the court. Students should bring water and sunscreen to class. Provider: Fit Kids America.

Grades: 1-3

Fri. Time: 1:45-2:45 p.m.

Location: Primary Courts

of Meetings: 7

BIOENGINEERING: DESIGNING LIFE

\$175

Come and join this fun and hands-on biology workshop for kids! Learn how to design and create something to improve life itself, such as artificial tissue, laboratory equipment, genetic modification, energy, and more! Your child will be exposed to engineering concept related to biology and perform cool biology experiments and activities. Provider: Bionerds.

Grades: 1-3

Fri. Time: 1:45-2:45 p.m.

Location: Innovation Lab

of Meetings: 7

PRE-MED - LIFE SCIENCE BIOLOGY

\$150

Do you possibly want to be a doctor or veterinarian? Well this is the class for you! Come join us in a hands-on adventure in the study of comparative anatomy of many animal groupings and their unique characteristics. Dissect a different species each class section and learn how living things relate to one another. We will start with the earthworm and learn how it is a distant relative to man. We will dissect a giant grasshopper and learn about insects, the most numerous living creatures on Earth with an estimated 100 million Arthropoda per acre in some areas. We will study the invertebrates such as the crayfish and their special abilities of breathing underwater. We will also dissect frogs and investigate how their anatomy might look very different on the outside but are mini humans on the inside. Come join us for an exciting adventure in life science and developmental biology! Provider: Vivian Bottino

Grades: 4-6

Fri. Time: 2:25-3:25 p.m.

Location: Room 27

of Meetings: 7

TENNIS

\$157

Our tennis program incorporates the Quickstart program, providing new and continuing players an exciting way to learn tennis. Our program is designed to bring kids into the game by utilizing specialized equipment, shorter court dimensions and modified scoring. It's the fast, fun way to get kids into tennis and keep them playing. Fit Kids coaches strive to make classes fun, creating a lifelong love of fitness. All equipment is provided; students should bring water and sunscreen to class. Provider: Fit Kids America.

Grades: 4-6

Fri. Time: 2:25-3:25 p.m.

Location: Upper Courts

of Meetings: 7

CLASSROOM MONITORS WANTED! We need your help!

Would you be willing to help monitor ACE classes 1 to 1½ hours per week? Volunteers who monitor receive discounted tuition for each day they monitor. The work is easy -take roll, make sure children are accounted for, assist where necessary, and see that all children are picked up after classes.

Interested in helping out? Contact the Turtle Rock ACE Coordinator at ACETurtleRock@gmail.com

GENERAL INFORMATION

REGISTRATION:

Begins: Friday, September 14
Ends: Monday, October 8
Classes start: Monday, October 15

Register at www.ipsfacademy.org

Enrollment is subject to class availability. Students must attend the school where they enroll in ACE classes.

HOW TO REGISTER:

1. Login at www.ipsfacademy.org Please use Chrome or Safari as your browser; older versions of Internet Explorer are not supported.
2. If you have not created a User Email/Password account, you will need to create one for yourself. Click "Create An Account". Once you have successfully created a parent profile, you will be directed to login.
3. Click on "Add a Student" to create profiles for each of your students if one does not already exist. **For existing students, verify profiles are up to date including grade, homeroom and transportation.**
4. Click "Register for Classes".
5. Select the desired class(es) and checkout.
6. Once you have checked out, you will receive an email confirmation listing your student's class enrollment.

REFUNDS: Tuition is nonrefundable unless the class is cancelled by the ACE coordinator. If your child registers late, misses classes or withdraws before the end of the session, you are still obligated for the full fees for that session. You are eligible for a prorated tuition refund or credit only if your child withdraws due to serious illness or injury, corroborated by a note from your doctor. All refunds are subject to a \$25 non-refundable program fee. Please be advised that refunds may take up to one month to process.

FLEXIBLE SPENDING ACCOUNTS: Receipts for programs attended by your child are available on request after completion of the programs. Please contact IPSF with parent's name, child's name, address, phone number, name and location of program(s) attended, and dates attended. IPSF can be reached via email at cdepew@ipsf.net or phone at (949) 263-8340. This material is provided for informational purposes only. IPSF does

not provide tax, legal, or accounting advice, and makes no representations regarding the deductibility or FSA eligibility of any program related expenses. Please consult your individual tax advisor to determine how much of your payment, if any, is deductible and/or FSA eligible.

CLASS AGE LIMITS: In order to develop classes suitable for a particular age range, we specify age limits in the brochure.

CLASS CONFIRMATIONS: Class confirmations are emailed upon successful completion of enrollment. Please add webmaster@ipsf.net to your email address book.

CLASS CANCELLATIONS: We do our best to accommodate all students who sign up for ACE classes. In order to keep class fees as low as possible, we must set a minimum enrollment number for each class to cover the class expenses. If the minimum enrollment is not met, the ACE Program reserves the right to cancel the class and return all registration fees. You will be notified of any cancellations before the first scheduled day of class.

TRANSPORTATION: Getting students to and from class is the responsibility of parents. In the first week of classes, ACE site monitors will attempt to locate registered students who are not present in their class. After that week, however, we expect that the students will know where they should go. If your child has difficulty remembering to go to class, you might want to escort him/her or contact another child in the class so your child has a "buddy" to provide a reminder about class.

ACE students must be picked up immediately after class. Arranging pick-up is the responsibility of parents. School staff, ACE instructors and ACE volunteer monitors are not responsible for your child after class. If you are late picking your student up two times, your student will be removed from the program and there are no refunds.

SNACKS: Your child is always welcome to bring a personal snack. Please do not send any snacks containing peanut or tree nut products. Please contact the school site ACE coordinator immediately if your child has severe food allergies.

CONTINUING CLASSES: Unless noted otherwise in the brochure, students in continuing classes must submit a registration form and payment for each session.

CONDUCT: Normal classroom conduct is expected of all ACE students and we generally have very few problems with the behavior of our students. Children displaying unacceptable behavior will be issued a one-time "Behavior Citation" that will have to be signed by a parent before the student can continue the class. If a second citation is necessary, the child will be dismissed without refund.

SCHOLARSHIPS: A limited number of 50%-100% scholarships are available for all classes based on need. Income documentation is required for approval. Parents may apply for a scholarship by accessing and completing the scholarship form at www.ipsfacademy.org/ACE.

MONITORS WANTED: Would you like to help monitor ACE classes 1 to 1-1/2 hours per week? The work is easy - taking roll, assisting any children who need help, occasionally helping with classroom set up and clean up, and randomly checking on each class a few times during the class period. Volunteers who monitor are granted one reduced class tuition per session. Interested? Contact the ACE Coordinator listed below.

PROGRAM SPONSORSHIP: Irvine Public Schools Foundation (IPSF) sponsors the district-wide ACE program in cooperation with the Irvine Unified School District.

For further information about the ACE program at other schools, please call IPSF at (949) 263- 8340

ATTENDANCE: If your student will be absent from ACE class, please send a message to the contact listed below before 11 a.m. on the day of ACE class.
