

Spring 2019

ACEIPSF

AFTERSCHOOL CLASSROOM ENRICHMENT

@ Turtle Rock Elementary

WHAT IS THE ACE PROGRAM AND WHAT ARE ACE CLASSES?

The ACE Program (Afterschool Classroom Enrichment) is a program sponsored by IPSF (Irvine Public Schools Foundation) in cooperation with the Irvine Unified School District. These classes are offered right after school hours on the Turtle Rock campus for nominal fees. IPSF selects contractors who teach all types of classes ranging from athletics to academics to arts.

Register Online March 11 - March 31

Online Registration ONLY at www.ipsfacademy.org

MONDAYS: April 8, 15, 22, 29, May 6, 13 & 20

ABACUS & MIND MATH

\$170

This class is designed to introduce your student to the basic concepts of Abacus. The student will build a solid foundation in arithmetic as well as develop skills of problem-solving, analytical thinking and creative thinking. All classes are conducted in small groups (ratio 8 students:1 instructor) with individualized attention. Provider: Aloha Mind Math.

Grades: 1-3 Mon. Time: 1:45-2:45 p.m. Location: Room 26 (Lezak) # of Meetings: 7

LA GALAXY OC SOCCER

\$117

LA Galaxy Orange County provides a FUNDamental soccer experience for all players. Following an age-appropriate curriculum every player will be provided with a fun yet challenging environment facilitating the development of soccer skills and techniques. Staffed by qualified, professional LA Galaxy OC coaches.

Grades: 1-3 Mon. Time: 1:45-2:45 p.m. Location: Upper Field # of Meetings: 7

MOVIE MAGIC SET DESIGN & CONSTRUCTION

\$149

Join this incredible new class where students will design and build their own miniature sets using movie industry materials and special painting techniques to create life-like set pieces for use in your own animated movie. Utilizing the same techniques Hollywood set designers use, students will build castles, brick walls, mountains, trees, and wood structures. The real transformation happens when students apply special painting techniques such as base coating, dry brushing, highlighting and washing which bring these miniature sets to life! After the finishing touches are complete, they will have created a realistic scene that can be used in any movie or tabletop game. If you want to learn the secrets behind Hollywood movie set design & construction, this class is for you!! Provider: Movies By Kids.

Grades: 1-3 Mon. Time: 1:45-2:45 p.m. Location: Room 29 # of Meetings: 7

SCHOLARSHIPS AVAILABLE !!

A limited number of partial and full scholarships are available for all classes based on financial need. Income documentation is required for approval. Parents may apply for assistance by completing the Scholarship Application available at www.ipsfacademy.org/ace.

For scholarship questions, please email IPSF ACE at ipsfacademy@ipsf.net

MONDAYS con't: April 8, 15, 22, 29, May 6, 13 & 20

FINE ARTS: SECRETS OF REALISTIC DRAWING!

\$141

Calling all young Picassos! If your child loves to drawing and fine arts then this is the class they've been waiting for. Activities include graphite pencil, charcoal, water color, air-dry clay and more. An information-packed class for everyone who wants to get creative...and best of all, it's taught by Mr. T, co-creator of the Pink Panther Comic Strip
Provider: WE Educational Programs.

Grades: 4-6 Mon. Time: 2:25-3:25 p.m. Location: Innovation Lab # of Meetings: 7

FORENSIC SCIENCE: BIONERDS' WAY!

\$175

Come and join the fun to become a Forensic Scientist – Bionerds way! Your child will learn forensic and biology techniques, experiment and activities to further deductive reasoning to uncover the truth following in the footsteps of Sherlock Holmes and Scotland Yard. Topics will include fingerprinting, DNA, trace evidence, wildfire forensic, and more.
Provider: Bionerds.

Grades: 4-6 Mon. Time: 2:25-3:25 p.m. Location: Room 27 # of Meetings: 7

TENNIS

\$157

Our tennis program incorporates the Quickstart program, providing new and continuing players an exciting way to learn tennis. Our program is designed to bring kids into the game by utilizing specialized equipment, shorter court dimensions and modified scoring. It's the fast, fun way to get kids into tennis and keep them playing. Fit Kids coaches strive to make classes fun, creating a lifelong love of fitness. All equipment is provided; students should bring water and sunscreen to class. Provider: Fit Kids America.

Grades: 4-6 Mon. Time: 2:25-3:25 p.m. Location: Upper Courts # of Meetings: 7

WHERE TO GO AFTER SCHOOL AND PICK UP INSTRUCTIONS

Instruct your students that once regular school dismisses to report directly to their ACE class location.

After ACE class, promptly pick up your student from the ACE class location. Grade 1-3 students must be signed out from ACE class unless the student's profile at www.ipsfacademy.org indicates student's "Transportation" as responsible for themselves.

CDC students: Please also report directly to the ACE class location. Do not check in at CDC prior to ACE class. After ACE, students will be escorted to the CDC. Be sure to notify the CDC you have enrolled your student in ACE.

TUESDAYS: April 9, 16, 23, 30, May 7, 14, 21 & 28

BASKETBALL

\$175

Got Game? Learn all the skills it takes to be a master on the court! Learn how to improve your shooting, passing, catching and rebounding skills! Instructors will teach you about player positioning, dribbling, ball handling and team concepts. Instruction includes offensive tactics such as shot selection and scoring while defensive tactics emphasize positioning and pressure from various areas of the court. Students should bring water and sunscreen to class. Provider: Fit Kids America.

Grades: 1-3

Tue. Time: 1:45-2:45 p.m.

Location: Lower Courts

of Meetings: 8

FINE ARTS: SECRETS OF REALISTIC DRAWING!

\$156

Calling all young Picassos! If your child loves to drawing and fine arts then this is the class they've been waiting for. Activities include graphite pencil, charcoal, water color, air-dry clay and more. An information-packed class for everyone who wants to get creative...and best of all, it's taught by Mr. T, co-creator of the Pink Panther Comic Strip Provider: WE Educational Programs.

Grades: 1-3

Tue. Time: 1:45-2:45 p.m.

Location: Innovation Lab

of Meetings: 8

YOUNG EINSTEINS: STEM LAB!

\$195

Discover the amazing world of STEM! Our young scientists will learn all about Science, Technology, Engineering and Math in this exciting hands-on course. Each day students will explore different concepts through fun and engaging projects including Chemistry, Rocketry, Physics, Engineering, Coding, Electronics, and even Robotics. This course covers it all. By learning through exploration, students are able to make connections beyond the classroom and apply them to the real world. Get your student started on STEM today in this awesome and educational class! Provider: Brainstorm STEM Education.

Grades: 1-3

Tue. Time: 1:45-2:45 p.m.

Location: Room 27

of Meetings: 8

Register Online March 11 - March 31
Online Registration ONLY at www.ipsfacademy.org

TUESDAYS con't: April 9, 16, 23, 30, May 7, 14, 21 & 28

LET'S PLAY CHESS

\$156

From first move to checkmate this after-school program presents a fun way to learn to play Chess. Step-by-step lessons introduce students to important analytical and problem solving strategies, which are also key components for successful classroom study. An information-packed, fun-filled activity including mini-tournaments and prizes. This class is designed for both beginning and advanced students with engaging lessons catering to varying skill levels. Past students are welcome! Provider: WE Educational Programs.

Grades: 4-6

Tue. Time: 2:25-3:25 p.m.

Location: Room 29

of Meetings: 8

QUIDDITCH

\$175

The leading sport of Harry Potter and the wizarding world but without flying broomsticks and warlocks, "Muggle Quidditch" is a sport of two teams (Chasers, Beaters, Keeper and one Seeker) and involves 4 foam balls (a Quaffle, two Bludgers and a Golden Snitch). Played on the field with hoops high in the air on both sides, the object of the game is to score more points than your opponents. Learn strategy, tactics and working as a team. Fun for Wizards of all ages! Provider: Fit Kids America.

Grades: 4-6

Tue. Time: 2:25-3:25 p.m.

Location: Upper Field

of Meetings: 8

REGISTRATION

1. Go to www.ipsfacademy.org. Please use Chrome or Safari as your browser, older versions of Internet Explorer are not supported.
2. If you do not have a User Email/Password, you will need to create one for yourself. Click "Create An Account". If your student participated in the IPSF Summer Enrichment Academy, you will login using the same user email and password.
3. Once you have successfully created a parent profile, you will be directed to login.
4. Click on "Add a Student" to create profiles for each of your students if one does not already exist.

IMPORTANT!! For existing students, verify all student information is up to date for the new school year including grade, homeroom and transportation. Profiles do NOT update automatically.

5. Select the desired class(es) and checkout.
6. Once you checkout, you will receive an email confirming your student's class enrollment.

WEDNESDAYS: April 10, 17, 24, May 1, 8, 15, 22 & 29

LEGO® ENGINEERING: JEDI ACADEMY

\$195

Our “Jedi Engineers” will design and create amazing vehicles, contraptions and creatures from the galaxy far, far away. Students will race LEGO® Pod Racers from Tatooine, create motorized Sandcrawlers to search for droids, maneuver Speeder Bikes through trees and control AT-AT’s on Hoth as they help each side in the battle between the Rebels and the Empire. Engineers will explore motors, engineering, architecture and all things LEGO through the popular theme of the Star Wars universe! Provider: Brainstorm STEM Education.

Grades: 1-3 Wed. Time: 1:30-2:30 p.m. Location: Innovation Lab # of Meetings: 8

HIP HOP DANCE FOR BRAINSMART KIDS

\$156

Want to get smarter and learn hip hop? Featuring a unique blend of high-energy hip hop dance and BrainSmart focusing exercises, this class was designed to enhance the fundamentals of fitness and study readiness! Each music filled session presents a fun way to learn hip hop, improve coordination and increase self-esteem; while the BrainSmart focusing exercises enhance relaxation, concentration and memory. The innovative BrainSmart Program was designed by a child psychologist and educator to improve study readiness skills through fitness. Best of all, your instructor, Mr. Maddi, is a professional choreographer and former tour dancer with Michael Jackson! All new dance moves, so past students are welcome! Students should wear comfortable clothing and bring water to class. Provider: WE Educational Programs

Grades: 1-6 Wed. Time: 1:30-2:30 p.m. Location: Room 29 # of Meetings: 8

PGA GOLF

\$175

Tee it up with Southern Calif. PGA/TGA! Students will learn all aspects of the game of golf; swing fundamentals, rules, etiquette and life values while advancing through a five level program. TGA maintains a safe nurturing environment while maintaining a maximum 10:1 student/teacher ratio. TGA provides all equipment including, a revolutionary practice ball, real irons, putters, and woods. All first timers receive a hat and a specialized achievement award. Tee It Up with TGA and see how much fun golf can be! Provider: SCPGA/TGA.

Grades: 1-6 Wed. Time: 1:30-2:30 p.m. Location: Upper Field # of Meetings: 8

YOGA YOUR WAY!!

\$82

The ancient practice of yoga brings together the mind, body and spirit through various yoga postures. The postures challenge our physical strength and flexibility while keeping us calm and relaxed. In this class, students will learn yoga by exploring a theme. The fun part is that students choose the theme! Perhaps it’s a favorite movie, book or folktale. Maybe it’s the Olympics or geography. We can even do yoga for sports like soccer and basketball. The possibilities are endless! Prizes are awarded for good behavior and class participation. Students should wear comfortable clothing: shorts for boys and leggings for girls are good options. No prior yoga experience is needed, but bring your ideas! Taught by Mrs. Lane, our TR Yoga Teacher since 2007.

Grades: 4-6 Wed. Time: 1:30-2:30 p.m. Location: Room 27 # of Meetings: 8

THURSDAYS: April 11, 18, 25, May 2, 9, 16, 23 & 30

LET'S PLAY CHESS

\$156

From first move to checkmate this after-school program presents a fun way to learn to play Chess. Step-by-step lessons introduce students to important analytical and problem solving strategies, which are also key components for successful classroom study. An information-packed, fun-filled activity including mini-tournaments and prizes. This class is designed for both beginning and advanced students with engaging lessons catering to varying skill levels. Past students are welcome! Provider: WE Educational Programs.

Grades: 1-3 Thu. Time: 1:45-2:45 p.m. Location: Room 29 # of Meetings: 8

QUIDDITCH

\$175

The leading sport of Harry Potter and the wizarding world but without flying broomsticks and warlocks, "Muggle Quidditch" is a sport of two teams (Chasers, Beaters, Keeper and one Seeker) and involves 4 foam balls (a Quaffle, two Bludgers and a Golden Snitch). Played on the field with hoops high in the air on both sides, the object of the game is to score more points than your opponents. Learn strategy, tactics and working as a team. Fun for Wizards of all ages! Provider: Fit Kids America.

Grades: 1-3 Thu. Time: 1:45-2:45 p.m. Location: Lower Field # of Meetings: 8

YOGA STORY ADVENTURES

\$82

Explore your favorite stories and movies like Stand Tall Molly Lou Mellon, the Mysterious Giant of Barletta, Star Wars and Mulan using classic yoga movements. Each class begins with yoga games & breathing exercises. This is followed by interactive storytelling where we describe character, plot and setting with yoga poses. On the last day, students may make up their own poses and show them to the class. Prizes are awarded for good behavior and class participation. Through this class, students will develop body awareness, strength, flexibility and confidence. Students should wear comfortable clothing: shorts for boys and leggings for girls are good options. No prior yoga experience is needed, but imaginations are! New and returning students welcome. Taught by Mrs. Lane, our TR Yoga Teacher since 2007.

Grades: 1-3 Thu. Time: 1:45-2:45 p.m. Location: Room 27 # of Meetings: 8

WE NEED YOUR HELP! CLASSROOM MONITORS WANTED!

Classroom monitors are an important component to keeping ACE running smoothly at _____.

Would you be willing to help monitor ACE classes 1 to 1½ hours per week?

Volunteers who monitor receive discounted tuition for each day they monitor. The work is easy -take roll, make sure children are accounted for, assist where necessary, and see that all children are picked up after classes.

Interested in helping out? Contact ___ ACE Coordinator, ____, at _____

THURSDAYS con't: April 11, 18, 25, May 2, 9, 16, 23 & 30

GAMEMAKER: 3D GAME DEV WITH UNITY

\$195

Learn to code by creating your own 3D game using Unity, a professional 3D Game Design engine. This course will teach game design principles, mechanics and level design. Begin with the basics and build to more advanced concepts by creating multiple games of your own design. Discover how to add objects, apply physics and implement behaviors into your game. Students will learn C#, develop problem solving skills and gain an excellent general knowledge of game creation fundamentals using the Unity 3D engine. Provider: Brainstorm STEM Education.

Grades: 4-6 Thu. Time: 2:25-3:25 p.m. Location: Innovation Lab # of Meetings: 8

LA GALAXY OC SOCCER

\$128

LA Galaxy Orange County provides a FUNdamental soccer experience for all players. Following an age-appropriate curriculum every player will be provided with a fun yet challenging environment facilitating the development of soccer skills and techniques. Staffed by qualified, professional LA Galaxy OC coaches.

Grades: 4-6 Thu. Time: 2:25-3:25 p.m. Location: Upper Field # of Meetings: 8

FRIDAYS: April 12, 19, 26, May 3, 10, 17, 24 & 31

INSECTS: BUG ME IF YOU DARE!

\$195

Come and join this fun and hands-on biology workshop for kids! Learn about the amazing bugs around us such as beetles, butterflies, crickets, micro-arthropods, ladybugs and more. Get up close and personal with live bugs using a microscope and perform cool biology experiments. Provider: Bionerds.

Grades: 1-3 Fri. Time: 1:45-2:45 p.m. Location: Room 27 # of Meetings: 8

TENNIS

\$175

Our tennis program incorporates the Quickstart program, providing new and continuing players an exciting way to learn tennis. Our program is designed to bring kids into the game by utilizing specialized equipment, shorter court dimensions and modified scoring. It's the fast, fun way to get kids into tennis and keep them playing. Fit Kids coaches strive to make classes fun, creating a lifelong love of fitness. All equipment is provided; students should bring water and sunscreen to class. Provider: Fit Kids America.

Grades: 1-3 Fri. Time: 1:45-2:45 p.m. Location: Upper Courts # of Meetings: 8

FRIDAYS con't: April 12, 19, 26, May 3, 10, 17, 24 & 31

ADVANCED PRE-MED

\$150

Do you want to possibly become a doctor or work in the medical field? We are going to do an advanced Pre-Med class studying the different systems of the human body. We will spend 2 weeks on the Skeletal and Muscular Systems - dissecting chicken wings on the second week. Followed by 2 weeks studying the Circulatory System - dissecting sheep hearts. Thirdly, we will spend 2 weeks studying the digestive system- dissecting a frog. We will wrap up by learning all about the incredible Nervous System and apply our knowledge by dissecting either a cow's eye or sheep brain. In all we will have quite a thorough overview of how the different systems of the human body function and work together! Provider: Vivian Bottino.

Grades: 4-6

Fri. Time: 2:25-3:25 p.m.

Location: Room 29

of Meetings: 8

PERSUASIVE WRITING

\$186

This is an instructor-led writing program focused on various academic writing skills. Persuasive writing is a style of writing which enables students to form an opinion about a current relevant topic in today's world.

- Students will have a brief introduction to topic and further be encouraged to participate in a class discussion based on a current dispute so they can formulate opinions and provide evidence/examples to support their argument.
- Students will be provided with opinion articles and be asked to find the author's stance and supporting evidence/examples that supports the author's argument
- Students will be given a prompt which will require them to pick a side of the argument and write a 4-5 paragraph essay with supporting examples to support their claim.

Provider: Aloha Mind Math.

Grades: 4-6

Fri. Time: 2:25-3:25 p.m.

Location: Room 7 (Stronk)

of Meetings: 8

ENGINEERING & ROBOTICS: ROBO REVOLUTION

\$195

Join the Robo Revolution in this exciting hands-on and future focused class! Combining code and cutting-edge technology, students are introduced to the world of robotics as they discover the power of applied programming and engineering. Design and create everything from autonomous robotic rovers to hovercrafts. Learn how to program an advanced drone as you use code and algorithms to give your drone a mind of it's own. Race head-to-head in engaging challenges and even learn to navigate an obstacle course using code. This engaging course is perfect for all levels and allows students to build valuable skills while having lots of fun!! Provider: Brainstorm STEM Education.

Grades: 4-6

Fri. Time: 2:25-3:25 p.m.

Location: Room 1

of Meetings: 8

IPSF SUMMER
REGISTRATION OPENS MARCH 18

Choose your own adventure with IPSF's Summer Enrichment Academy! Become a top chef, program the next epic video game, or create an original masterpiece. Explore interests or discover a new passion. With over 400 classes to choose from, the sky is the limit!

Locations, schedule, and more info at: www.ipsf.net/summer

GENERAL INFORMATION

REGISTRATION:

Begins: Monday, March 11
Ends: Sunday, March 31
Classes start: Monday, April 8

Register at www.ipsfacademy.org

Enrollment is subject to class availability. Students must attend the school where they enroll in ACE classes.

HOW TO REGISTER:

1. Login at www.ipsfacademy.org Please use Chrome or Safari as your browser; older versions of Internet Explorer are not supported.
2. If you have not created a User Email/Password account, you will need to create one for yourself. Click "Create An Account". Once you have successfully created a parent profile, you will be directed to login.
3. Click on "Add a Student" to create profiles for each of your students if one does not already exist. **For existing students, verify profiles are up to date including grade, homeroom and transportation.**
4. Click "Register for Classes".
5. Select the desired class(es) and checkout.
6. Once you have checked out, you will receive an email confirmation listing your student's class enrollment.

REFUNDS: Tuition is nonrefundable unless the class is cancelled by the ACE coordinator. If your child registers late, misses classes or withdraws before the end of the session, you are still obligated for the full fees for that session. You are eligible for a prorated tuition refund or credit only if your child withdraws due to serious illness or injury, corroborated by a note from your doctor. All refunds are subject to a \$25 non-refundable program fee. Please be advised that refunds may take up to one month to process.

FLEXIBLE SPENDING ACCOUNTS: Receipts for programs attended by your child are available on request after completion of the programs. Please contact IPSF with parent's name, child's name, address, phone number, name and location of program(s) attended, and dates attended. IPSF can be reached via email at cdepew@ipsf.net or phone at (949) 263-8340. This material is provided for informational purposes only. IPSF does

not provide tax, legal, or accounting advice, and makes no representations regarding the deductibility or FSA eligibility of any program related expenses. Please consult your individual tax advisor to determine how much of your payment, if any, is deductible and/or FSA eligible.

CLASS AGE LIMITS: In order to develop classes suitable for a particular age range, we specify age limits in the brochure.

CLASS CONFIRMATIONS: Class confirmations are emailed upon successful completion of enrollment. Please add webmaster@ipsf.net to your email address book.

CLASS CANCELLATIONS: We do our best to accommodate all students who sign up for ACE classes. In order to keep class fees as low as possible, we must set a minimum enrollment number for each class to cover the class expenses. If the minimum enrollment is not met, the ACE Program reserves the right to cancel the class and return all registration fees. You will be notified of any cancellations before the first scheduled day of class.

TRANSPORTATION: Getting students to and from class is the responsibility of parents. In the first week of classes, ACE site monitors will attempt to locate registered students who are not present in their class. After that week, however, we expect that the students will know where they should go. If your child has difficulty remembering to go to class, you might want to escort him/her or contact another child in the class so your child has a "buddy" to provide a reminder about class.

ACE students must be picked up immediately after class. Arranging pick-up is the responsibility of parents. School staff, ACE instructors and ACE volunteer monitors are not responsible for your child after class. If you are late picking your student up two times, your student will be removed from the program and there are no refunds.

SNACKS: Your child is always welcome to bring a personal snack. Please do not send any snacks containing peanut or tree nut products. Please contact the school site ACE coordinator immediately if your child has severe food allergies.

CONTINUING CLASSES: Unless noted otherwise in the brochure, students in continuing classes must submit a registration form and payment for each session.

CONDUCT: Normal classroom conduct is expected of all ACE students and we generally have very few problems with the behavior of our students. Children displaying unacceptable behavior will be issued a one-time "Behavior Citation" that will have to be signed by a parent before the student can continue the class. If a second citation is necessary, the child will be dismissed without refund.

SCHOLARSHIPS: A limited number of 50%-100% scholarships are available for all classes based on need. Income documentation is required for approval. Parents may apply for a scholarship by accessing and completing the scholarship form at www.ipsfacademy.org/ACE.

MONITORS WANTED: Would you like to help monitor ACE classes 1 to 1-1/2 hours per week? The work is easy - taking roll, assisting any children who need help, occasionally helping with classroom set up and clean up, and randomly checking on each class a few times during the class period. Volunteers who monitor are granted one reduced class tuition per session. Interested? Contact the ACE Coordinator listed below.

PROGRAM SPONSORSHIP: Irvine Public Schools Foundation (IPSF) sponsors the district-wide ACE program in cooperation with the Irvine Unified School District.

For further information about the ACE program at other schools, please call IPSF at (949) 263- 8340

ATTENDANCE: If your student will be absent from ACE class, please send a message to the contact listed below before 11 a.m. on the day of ACE class.
