

Summer 2019

ACEiPSF

AFTERSCHOOL CLASSROOM ENRICHMENT

@ Woodbury Elementary

WHAT IS THE ACE PROGRAM AND WHAT ARE ACE CLASSES?

The ACE Program (Afterschool Classroom Enrichment) is a program sponsored by IPSF (Irvine Public Schools Foundation) in cooperation with the Irvine Unified School District. These classes are offered right after school hours on the Woodbury campus for nominal fees. IPSF selects contractors who teach all types of classes ranging from athletics to academics to arts.

Summer Classes At A Glance

Class	Grade	Day	Start	# of Mtgs.	Fee
Deep Sea Discoveries	1 - 3	Tue	8/6	6	\$158
Visual Art Basics: Mix It Up	1 - 3	Tue	8/6	6	\$144
Learn Writing with Fun	4 - 6	Tue	8/6	6	\$167
Sew Easy	4 - 6	Tue	8/6	6	\$151
Chess	1 - 3	Wed	8/7	6	\$117
STEM Learning w/ LEGO®: Sports Spectacular	1 - 3	Wed	8/7	6	\$137
Chess	4 - 6	Wed	8/7	6	\$117
Speech	4 - 6	Wed	8/7	6	\$171
Cooking Basics	1 - 3	Thu	8/8	6	\$179
Young Einsteins: Super Scientists	1 - 3	Thu	8/8	6	\$167
Code Academy: App & Game Development	4 - 6	Thu	8/8	6	\$167

Register Online July 26 - August 4
Online Registration ONLY at www.ipsfacademy.org

NEW!

TUESDAYS: August 6, 13, 20, September 3, 10 & 17
NO class August 27

DEEP SEA DISCOVERIES

\$158

Get ready to explore the depths of the Mariana Trench and the beautiful Marine Life of the Great Barrier Reef. During this all new class, we will get up close to a real preserved shark and even look into the eyes of a relative of the giant squid! During our exploration of The Deep, we will discover how life exists where light cannot reach! Underwater fissures spewing out molten rock from the Earth's crust have led to an abundance of life where we never thought possible! Topics Include marine biology, ecosystems, and much more! Sign up today to be a part of this all new class and join us on our Underwater Expedition! Provider: Discovering Science.

Grades: 1-3 Tue. Time: 2:05-3:05 p.m. Location: Courtyard # of Meetings: 6

VISUAL ART BASICS: MIX IT UP ART I

\$144

An Introduction to the Six Elements of Art. The Mix it Up program explores the foundation of art making through projects that exemplify the six elements of art: line, shape, value, space, texture and color. Projects include drawing, painting and collage. Provider: Chuck Jones Ctr. for Creativity.

Grades: 1-3 Tue. Time: 2:05-3:05 p.m. Location: Innovation STEAM Lab # of Meetings: 6

LEARN WRITING WITH FUN!

\$167

This is an instructor-led reading/writing program focused on various academic writing skills. Students will learn one specific genre like narrative writing, descriptive writing, creative writing or persuasive writing during the session. Students will create story using story elements or will develop the understanding of how to write an introduction paragraph using hook and thesis statement, create body paragraph using relevant details and to conclude the essay with the right remarks. Provider: Aloha Mind Math.

Grades: 4-6 Tue. Time: 2:40-3:40 p.m. Location: Room #29 (Music) # of Meetings: 6

SEW EASY

\$151

Project Based Learning of Hand Sewing Techniques. The sew easy program is perfect for beginners. Each blunt needle hand sewing project teaches a new stitch while creating a special keepsake. Projects include single layer attachment, double layer attachment with stuffing and triple layer free standing objects. Provider: Chuck Jones Ctr. for Creativity.

1. Stitch Practice; 2. Super Hero Mask; 3. Monster Pouch; 4. Heart Hangers; 5/6. Happy Aliens

Grades: 4-6 Tue. Time: 2:40-3:40 p.m. Location: Innovation STEAM Lab # of Meetings: 6

WEDNESDAYS: August 7, 14, 21, September 4, 11 & 18
NO class August 28

CHESS

\$117

We make chess fun by using stories! This curriculum is designed to fit the needs of all skill levels. Continuing and new students are welcome. Every chess student will receive an Academic Chess workbook according to their own skill level. The class includes lessons and chess play time each week, a tournament, and prizes and trophies for the winners! Chess increases IQ and teaches children to think deeply, gain confidence, solve problems, develop patience, compete well, visualize results and strategize and plan. Provider: Academic Chess.

Grades: 1-3
Grades: 4-6

Wed. Time: 1:30-2:30 p.m.
Wed. Time: 1:30-2:30 p.m.

Location: Pod B
Location: Pod D

of Meetings: 6
of Meetings: 6

STEM LEARNING WITH LEGO® - SPORTS SPECTACULAR!

\$137

Explore sports ranging from gymnastics to biking, mini-golf to airplane acrobatics! This unit is a great way to get "sporty" kids building and get LEGO® fans interested in sports. The best part for the students is the way the models move and the fun they have playing with them after they're built. Maybe they'll be inspired to try a new sport, or build a model of their favorite sport! Each student will receive a customized LEGO minifigure and Certificate of Achievement on the last day of class. Provider: Bricks 4 Kidz

Grades: 1-3

Wed. Time: 1:30-2:30 p.m.

Location: Pod C

of Meetings: 6

SPEECH

\$171

This course will help students master public speaking and communication skills. Students will learn to understand the importance of language and how to become a competent communicator. Students will learn competition events such as impromptu, informative, storytelling, prose, original oratory and persuasive speaking. Each session will end with an in-class tournament and presentation for the parents.

Provider: Argumentation & Communication Leadership Academy

Grades: 4-6

Wed. Time: 1:30-2:30 p.m.

Location: Room #29 (Muisic)

of Meetings: 6

CLASSROOM MONITORS WANTED! We need your help!

Would you be willing to help monitor ACE classes 1 to 1½ hours per week? Volunteers who monitor receive discounted tuition for each day they monitor. The work is easy -take roll, make sure children are accounted for, assist where necessary, and see that all children are picked up after classes.

Interested in helping out? Contact the WB ACE Coordinator at ACEwoodbury@ipsf.net.

THURSDAYS: August 8, 15, 22, September 5, 12 & 19
NO class August 29

COOKING BASICS

\$179

Lil' Chef School teaches children the joy of cooking in a kid-friendly and safe environment. Budding chefs learn the basics of cooking while participating in the preparation of real recipes they get to taste at the end of each class. Students learn how to use a safety knife, kitchen safety, properly measure wet & dry ingredients as well as etiquette, math and science! Provider: Lil' Chef School.

1. Chili Cheese Pie
2. Picnic Kabob Bowls
3. Chicken Stroganoff
4. Pizza Pasta Salad
5. Apple Crisp
6. Mac N Cheese

IMPORTANT!

When enrolling, be sure to update your student's profile on www.ipsfacademy.org with any allergy information

Grades: 1-3

Thu. Time: 2:05-3:05 p.m.

Location: Staff Lounge

of Meetings: 6

YOUNG EINSTEIN'S: SUPER SCIENTISTS

\$167

Pure science, pure FUN! In this course, our Super Scientists will explore the world of Science through fun and educational hands-on experiments and projects. Learn about chemical compounds and reactions as you discover the different states of matter. Create an erupting volcano, launch rockets high into the sky and put your engineering skills to the test in the parachute challenge. Then, experiment with energy by harnessing the power of static electricity and solar power. A perfect course to keep your curious and creative young scientist engaged and learning through fun hands-on experiences. Provider: Brainstorm STEM Education

Grades: 1-3

Thu. Time: 2:05-3:05 p.m.

Location: Innovation STEAM Lab

of Meetings: 6

WHERE TO GO AFTER SCHOOL AND PICK UP INSTRUCTIONS

Instruct your students that once regular school dismisses to report directly to their ACE class location.

After ACE class, meet your student at the flagpole in front of the school. Students will not be permitted to leave on their own unless the student's profile at www.IPSFacademy.org indicates student's "Transportation" as responsible for themselves.

CDC students: Please also report directly to the ACE class location. Do not check in at CDC prior to ACE class. After ACE, students will be escorted to CDC. Be sure to notify CDC you have enrolled your student in ACE.

THURSDAYS: August 8, 15, 22, September 5, 12 & 19
NO class August 29

CODE ACADEMY: APP & GAME DEV

\$167

In this creative and coding focused class, students will learn to build games and apps using visual block based coding. Using code and lots of creativity, students will create animated stories and amazing 2D games. Then, learn the art of game design by creating your own versions of Nintendo classics, like Super Mario and Zelda. Students will then use MIT App Inventor, an application development program originally created by Google and MIT to develop their own custom apps. The program has an intuitive graphical drag and drop interface which allows students to easily create applications for mobile devices. Students will learn to design and develop real, downloadable apps while continuing to learn fundamentals of computer programming and software development. The programming concepts learned transfer to traditional languages such as Python, Java or C#. Each project introduces new concepts that are both engaging and educational. Provider: Brainstorm STEM Education.

Grades: 4-6

Thu. Time: 2:40-3:40 p.m.

Location: Innovation STEAM Lab

of Meetings: 6

SCHOLARSHIPS AVAILABLE !!

A limited number of partial scholarships are available for all classes based on financial need. Income documentation is required for approval. Parents may apply for assistance by completing the Scholarship Application available at www.ipsf.net/ace.

For scholarship questions, please email IPSF ACE at ipsfacademy@ipsf.net

REGISTRATION

1. Go to www.ipsfacademy.org. Please use Chrome or Safari as your browser, older versions of Internet Explorer are not supported.
2. If you do not have a User Email/Password, you will need to create one for yourself. Click "Create An Account". If your student participated in the IPSF Summer Enrichment Academy, you will login using the same user email and password.
3. Once you have successfully created a parent profile, you will be directed to login.
4. Click on "Add a Student" to create profiles for each of your students if one does not already exist.

IMPORTANT!! For existing students, verify all student information is up to date for the new school year including grade, homeroom and transportation. Profiles do NOT update automatically.

5. Select the desired class(es) and checkout.
6. Classes that have reached capacity may have a waitlist. During the registration process, you have the option to add a student to a waitlist. No payment is required and you will be notified only if an opening becomes available for your student.
7. Once you checkout, you will receive an email confirming your student's class enrollment.

GENERAL INFORMATION

REGISTRATION:

Begins: Friday, July 26
Ends: Sunday, August 4
Classes start: Tuesday, August 6

Register at www.ipsfacademy.org

Enrollment is subject to class availability. Students must attend the school where they enroll in ACE classes.

HOW TO REGISTER:

1. Log in at www.ipsfacademy.org
2. If you have not created a User Email/Password account, you will need to create one for yourself. Click "Create An Account". Once you have successfully created a parent profile, you will be directed to log in.
3. Click on "Add a Student" to create profiles for each of your students if one does not already exist. **For existing students, verify profiles are up to date including grade, homeroom and transportation.**
4. Click "Register for Classes".
5. Select the desired class(es) and checkout.
6. Once you have checked out successfully, you will receive an email confirmation listing your student's class enrollment.

REFUNDS: Tuition is nonrefundable unless the class is cancelled by the ACE coordinator. If your child registers late, misses classes or withdraws before the end of the session, you are still obligated for the full fees for that session. You are eligible for a prorated tuition refund or credit only if your child withdraws due to serious illness or injury, corroborated by a note from your doctor. All refunds are subject to a \$25 non-refundable program fee. Please be advised that refunds may take up to one month to process.

FLEXIBLE SPENDING ACCOUNTS:

Receipts for programs attended by your child are available on request after completion of the programs. Please contact IPSF with parent's name, child's name, address, phone number, name and location of program(s) attended, and dates attended. IPSF can be reached via email at cdepew@ipsf.net. This material is provided for informational purposes only. IPSF does

not provide tax, legal, or accounting advice, and makes no representations regarding the deductibility or FSA eligibility of any program related expenses. Please consult your individual tax advisor to determine how much of your payment, if any, is deductible and/or FSA eligible.

CLASS AGE LIMITS: In order to develop classes suitable for a particular age range, we specify age limits in the brochure.

CLASS CONFIRMATIONS: Class confirmations are emailed upon successful completion of enrollment. Please add ipsfacademy@ipsf.net to your email address book.

CLASS CANCELLATIONS: We do our best to accommodate all students who sign up for ACE classes. In order to keep class fees as low as possible, we must set a minimum enrollment number for each class to cover the class expenses. If the minimum enrollment is not met, the ACE Program reserves the right to cancel the class and return all registration fees. You will be notified of any cancellations before the first scheduled day of class.

TRANSPORTATION: Getting students to and from class is the responsibility of parents. In the first week of classes, ACE site monitors will attempt to locate registered students who are not present in their class. After that week, however, we expect that the students will know where they should go. If your child has difficulty remembering to go to class, you might want to escort him/her or contact another child in the class so your child has a "buddy" to provide a reminder about class.

ACE students must be picked up immediately after class. Arranging pick-up is the responsibility of parents. School staff, ACE instructors and ACE volunteer monitors are not responsible for your child after class. If you are late picking your student up two times, your student will be removed from the program and there are no refunds.

SNACKS: Your child is always welcome to bring a personal snack. Please do not send any snacks containing peanut or tree nut products. Please contact the school site ACE coordinator immediately if your child has severe food allergies.

CONTINUING CLASSES: Unless noted otherwise in the brochure, students in continuing classes must submit a registration form and payment for each session.

CONDUCT: Normal classroom conduct is expected of all ACE students and we generally have very few problems with the behavior of our students. Children displaying unacceptable behavior will be issued a one-time "Behavior Citation" that will have to be signed by a parent before the student can continue the class. If a second citation is necessary, the child will be dismissed without refund.

SCHOLARSHIPS: A limited number of partial scholarships are available for all classes based on need. Income documentation is required for approval. Parents may apply for a scholarship by accessing and completing the scholarship form at www.ipsf.net/ace.

MONITORS WANTED: Would you like to help monitor ACE classes 1 to 1-1/2 hours per week? The work is easy – taking roll, assisting any children who need help, occasionally helping with classroom set up and clean up, and randomly checking on each class a few times during the class period. Volunteers who monitor are granted one reduced class tuition per session. Interested? Contact the ACE Coordinator listed below.

PROGRAM SPONSORSHIP: Irvine Public Schools Foundation (IPSF) sponsors the district-wide ACE program in cooperation with the Irvine Unified School District.

For further information about the ACE program at other schools, please call IPSF at 949.263.8340.

ATTENDANCE: If your student will be absent from ACE class, please send a message to the contact listed below before 11 a.m. on the day of ACE class.
